From the Principal's Desk:

Class Information Meetings:

Many thanks to the parents and caregivers who attended the class information meetings held last week. The meetings outlined what was happening in our classrooms and were very productive.

Interactive Whiteboards Installation:

Last Friday we were very fortunate to have our replacement IWB's installed into our classrooms and it is fantastic to have these great teaching tools up and running again.

School Leaders Assembly:

This Friday we will be holding our school leaders assembly commencing at 2:20pm in the hall. Please come along and share in the achievements of our students. Councillor Karen Hutchinson will be attendance to badge the school leaders.

Starstruck:

Our Starstruck team and Mrs Madden will be travelling into Stroud PS tomorrow for the taping of the audition tape for this year's production. Once submitted, we will have to wait and see if we are successful in being accepted. Good Luck and congratulations on all of your hard work so far!

Scripture:

Scripture has commenced for 2012 with Mr Harris taking 3-6 and Mrs Harris taking K-2. If you do not wish your child to participate, please send in a note to the class teachers.

Active After School:

Our Archery program with John is going along fantastically with the students having a great time learning new skills. Our golf program is also going really well with Mrs Madden and I leading the students in some new golf skills. The last two weeks of golf we are planning on travelling to the Stroud Golf Club and we will be having a coach from the Jack Newton Junior Golf Foundation facilitating these sessions. So that will be very exciting.

Book Packs:

Many thanks to those families who have already paid for these book packs. It would be appreciated if this could be finalised as soon as possible. The cost for all packs is \$40.00 each.

Bucketts Way Community of Schools Meeting:

Last Thursday the Principals of the Bucketts Way Community of Schools met at our school and discussed many issues and plans for the year ahead. One exciting activity is the Bucketts of Talent Concert which is held every two years. Further details will follow as they are finalised. Many thanks to the members of the P & C who catered a lovely morning tea and lunch, Thanks also to Mrs Dennis who assisted with the organisation of the catering. We really appreciate it!

School Education Directors Visit:

Today we had a visit by Mr Ian Northam, our school education director who completed our Term 1 discussions. It was wonderful to have Ian in our school and to share the great things that are happening at Stroud Road School.

Numeracy Professional Learning:

Next Monday I will be travelling to Stroud to participate in the numeracy in action professional learning, which will follow on from 2011 and will be facilitated by the numeracy consultant. We will be looking at the numeracy which is a focus of our school planning for the next three years.

E-Mailed Newsletter:

Commencing today we will be re-commencing the e-mailing of the weekly newsletter. If you would like the newsletter e-mailed each week, please let us know. Newsletters and permission notes can also be found on the schools website as can a calendar of events.
