## THE GREAT BOOK SWAP

This year our school is supporting the work of the Indigenous Literacy Foundation by holding a *Great Book Swap* on our school's NAIDOC Day on Friday 26<sup>th</sup> June 2015 at Booral Public School.

To take part students need to bring along a book that they are happy to swap with another student and a gold coin donation to choose a "new" book.

Books students wish to swap need to be placed in the collection box in the school office on or before Wednesday 24<sup>th</sup> June 2015. Students may donate more than one book if they wish.

The Indigenous Literacy Foundation (ILF) works to put books into the hands of children and families in remote Indigenous communities across Australia. In the lifetime of the project, with the support of many people and organisations including schools, they have sent more than 120,000 new, high quality books to over 230 remote communities. The ILF also runs an early literacy project called *Book Buzz*, which puts board books into the hands of babies, toddlers and their families. The Foundation has published and funded more than 40 community books, some of which are translated into first language. Please help us support their work!
