P&C MEETING

Thank you to everyone who attended the P&C meeting this afternoon.

WOOLWORTHS EARN & LEARN

The school is once again participating in the Woolworths Earn and Learn collection of stickers and we will be able to redeem the stickers for some great resources.

The promotional period is from today until 8th September.

Please ask family and friends to collect stickers for the school. There is a collection box for stickers in the school office and also at Gloucester Woolworths.

ZONE ATHLETICS CARNIVAL

Due to the weather the zone athletics carnival has been moved back to the back-up dates for this year.

Field: Tuesday 11th August

Track: Friday 14th August

PLEASE NOTE: Tuesday 11th August now clashes with the Myuna Bay excursion so the students will be unable to participate on this day unless parents wish to pick them up from Myuna Bay on the morning to take them.

BOOK WEEK

We will be having our Book Week assembly on Wednesday 26th August (week 7). Students are encouraged to come dressed as a book character on that day.

FUNDING FOR GLASSES

We received a phone call from the secretary of Dungog Rotary Club advising us that they have received some funding to purchase students reading glasses to assist in their learning. If you have recently had your child's eyes checked, or are doing so soon, and they need glasses please let us know ASAP and we will contact them.

PVC PAYMENTS

Transport for NSW has been reviewing PVC subsidy claims for accuracy because it has introduced a new computer system and this has caused a delay. This has also deferred for a short time, the attendance days collection process for all schools. We understand this overall will lead to a delay of several weeks compared to the usual processing time. Transport for NSW has advised us they are apologetic for the inconvenience.

GUITAR LESSONS

Tiana is away this week so there are no guitar lessons. Next week, when the lessons resume, they will be on a Thursday due to a change in Tiana's day at uni. If you are interested in your child starting guitar lessons with Tiana please let us know.

E-LEARNING

We will be participating in an e-Learning videoconference on Monday 27th July (NEXT WEEK) from 1:30-3pm. This term students will be learning about and using Movie Maker, this is a program that is on most IBM computers (windows computers) and does not need the internet. Parents are welcome to attend this session to learn about the program if they would like to support their child's learning at home.
