TEEN TALK

Year Six will be participating in a program called Teen Talk on Thursday. This program is presented by Susie Black-wood and is designed for stage three students approaching or entering puberty. Susie, an experienced midwife and sexuality educator, presents the program using technical resources and sensitive humour to ensure students gain a holistic understanding about puberty and how friendships, health, reproduction, sex, respect and sexuality all link together. Students also gain an awareness of how to cope with some of the pressure facing them in our complex and demanding society. Parents are welcome to attend at a cost of \$14.00 each.

The students are busting to get the scooter boards back out but we understand the damage they do to students shoes. If you would like to send along an old pair of shoes for your child to put on at recess/lunch to have a play on the scooter boards please do so
