

Term 4, Week 2

Stroud Road Public School and Community Newsletter

Participate - Learn - Succeed

LEARNING HIGHLIGHT: Numeracy

Hayley Edwards has shown great numeracy skills in all of our maths activities. She has put in considerable effort to improve her speed and accuracy of response in our Maths Warm-ups, and she is able to solve complex questions using a range of skills. What an incredible start to the final term.

WELCOME LOTUS

We are fortunate to have a new member of our learning community this term. Lotus has made a great start, quickly making friends in the playground and producing quality work in the classroom.

CANBERRA

The wait is almost over for Darcy, Maddie and Nic, as we embark on our visit to the Nation's capital. We will be joining Booral PS, Coolongalook PS and Stroud PS students, touring political and cultural centres for three days.

We look forward to sharing our adventure with the students when we return.

PRESENTATION NIGHT

2017 Presentation will take place on **13th of December**. We will be celebrating our academic, sporting and civic achievements. Students will be performing a play and musical items. We hope to see many community members there.

ASSEMBLY & END OF TERM BBQ

A big thanks to everyone who joined us for our Term Assembly and BBQ last term. It was great seeing so many community members share our students' achievements and enjoying a relaxing meal together. It was a great way to farewell well Mrs Madden. She appreciated the kind messages that the students wrote on their cards.

REMINDERS FOR SCHOOLS DAYS

Wednesday:

School banking

Story sharing (news)

Beautiful singing voices (choir)

Friday:

Sport shoes

Recorders (music)

Books for returning (library)

Homework

P & C News

SCHOOL DANCE

5:00 - 7:30 Tuesday, 31st October

We are spookifying the school hall and turning up the music for a Halloween themed night of dancing. Students are encouraged to dress up for the occasion.

We would like to ask parents to bring:

- a plate of party food to share
- any decorations to decorate the hall

We look forward to seeing everyone dress in Halloween costumes and ready to dance.

Mondays

Thursdays

Recess and Lunch

Recess Only

Chat with the Chappie

It's great to be back into the swing of Term 4, this year is certainly flying by! I always love this time of year when Daylight Savings begins. It seems that people either love it or hate it. It can take some time to adjust, I am often caught out cooking dinner way later than normal because I feel like it's not as late as it is!

This time of year often brings times of transition; upcoming events and situations that need time to adjust to. Perhaps your child is getting ready to move into high school, or they might be getting ready to start Kindergarten. For each school child it is the rounding up and finishing off of the current school year, and thinking about moving into the next grade.

Transitions can be exciting but they can also be scary, simply because things will be different. It is the unknown that throws us. What will it be like? Will I be able to cope? So how can you help your kids through these transitions? The most simple thing is encouraging them to talk about the changes ahead. Allow them to express whatever it is they are feeling and acknowledge that it's ok to feel that way. Help them discover their strengths and how they can use those strengths to help them in this time of adjustment.

If your child or your family would like some extra support with any transitions you may be going through please don't hesitate to contact me, I'd love to be a part of that journey.

Mrs Kath Thomas :)

STUDENT WRITING

The Forest

by Darcy Nash

The forest is beautiful, with the sun shining on its floor like a full moon on the earth. The water trickles down the path of leaves dropped by the giant trees. The pulsing thumps of hooves of wild brumbies can be heard, and the calming sound of insects and frogs echo through the wild scrub and decaying logs. The song of the of the cicadas on the trees, sound lovely reverberating through the wild bush.

WHAT'S ON?

Week 2 Wednesday - Friday

- **Canberra Excursion**

SWIM AND SURVIVE PROGRAM JANUARY 2018

- ✓ Life skill
- ✓ Water awareness
- ✓ Fun
- ✓ Safe

The Office of Sport delivers Royal Life Saving Society's national Swim and Survive program in regional areas of NSW where limited learn to swim opportunities exist.

Lessons cater for children aged 18 months to 12 years and provide everything from water awareness through to developing strokes and endurance. Classes are delivered by nationally-qualified instructors and normally run for nine consecutive week days.

Prices for nine lessons are \$72 for school aged children and \$51 for pre-schoolers (prices exclude pool entry).
