LEARNING HIGHLIGHT: Spelling

Lachlan has made an incredible improvement in his spelling this year. He is using word building knowledge to spell challenging words, and is applying it to his imaginative and persuasive writing.

Well done Lachlan!

Author Visit

We joined our friends at Stroud, Stratford and Booral to listen to Anna Fienberg speak about her writing process at Stroud PS. Our students gained insights into the life of a professional writer, as well as picked up a few narrative tips that they can use in their own writing.

Student Art Exhibit

It's no secret that Stroud Road students produce some of the finest artworks by young people in the Great Lakes area. Mrs Melmeth has worked tirelessly to mount and collate our students' pieces, and they will be available for the public to view at the Gloucester Art Gallery from 23/3 to 16/6.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time

- ensures that students do not miss out on important learning activities scheduled early in the day
- helps students learn the importance of punctuality and routine
- gives students time to greet their friends before class
- reduces classroom disruption.

Lateness is recorded as a partial absence and must be explained by parents.
