Term 3 Week 6

2022

From the Principal

Education Week shaped up to be a great learning opportunity for everyone at our school. Monday was a great day of STEM activities where parents who could make it came and joined in with the games, building and creating activities that were happening. Some great balloon structures were made, and tall towers were constructed out of recycled materials. Everyone played a game of 'Don't Eat Pete' and lots of lollies were consumed. Bird feeders were created from recycled bottles, and we even had a go at making crystals.

Bird Feeder making

Tower Construction

Crazy Hair Day

Friday was crazy day with all the crazy hair styles coming through the gate.

Congratulations - we raised \$31.00 for Cystic Fibrosis.

Fantastic Effort!!

Year 6 Platypus Excursion

On Wednesday I accompanied our year 6 students to Riverwood Downs for an e-DNA of the Karuah River learning experience with Booral and Stroud Year 6 students and teachers. It was a fantastic day, and we all learnt a lot about the activity of the area.

Covid News

Many of our existing COVID-smart measures continue into Term 3, including:

- staying home if unwell, even if you have a negative RAT, until you are free of symptoms
- rapid antigen testing for symptomatic students and close contacts able to return to school
- strongly encouraging mask wearing, particularly for the first 4 weeks of term
- strongly encouraging all eligible students and their families to get vaccinated for COVID-19 and the flu
- maximising natural ventilation
- good hygiene practices
- strict requirements for close contacts attending school
- responding to local COVID-19 conditions

We continue to encourage all staff, students and our school community to keep up to date with their vaccinations, including getting a booster shot when eligible.

Boosted day cleaning – our cleaning model has shifted slightly and will now be more concentrated during school hours.

Thank you again for your ongoing support.

Thought of the week
