Participate, Learn, Succeed

Principal's Report

It has been my great pleasure to join the Stroud Road Public School community over the past two weeks. I have thoroughly enjoyed getting to know all the students and their families and am very grateful for the support of the amazing staff who have helped me immensely.

Our champion relay team continued its fantastic progress by placing 3rd at the regional athletics carnival last Friday, meaning they have qualified for the state carnival at Homebush early next term. Congratulations to Miss Hughes, Riley, Riley, Bentley and Hugo on their brilliant achievement. What a great reward for your hard work.

On Tuesday we received the news we were all waiting for - the safe arrival of Mr Irwin's baby boy, Jack James. On behalf of the Stroud Road Public School community, we send our warmest congratulations to Mr Irwin and his wife Zoe.

Today I have sent out information about our excursion to participate in the NAIDOC Cup Aboriginal Culture immersion day. This community event occurs annually at Woodberry and includes a smoking ceremony, Aboriginal dance as well as a rugby league match played between students from the Gateway Learning Community. We will participate in the cultural activities and be spectators for the rugby league match. Please respond on School Bytes as soon as possible. Thank you again for a fantastic first fortnight at Stroud Road Public School!

Mr Stewart

What's on this month?

Week 9

- Tell Them From Me Parent Survey Open
- Pre-school information session 18/9
- NAIDOC Cup Excursion 20/9

Indoor activities to keep the body moving

Did you know that children who are active are healthier, sleep better and perform better at school?

It's important to encourage children to move their body in a range of ways and directions. It can be challenging to meet physical activity needs on days when children aren't able to be outside.

Why not try these indoor activities to keep children moving:

Balloon Volleyball

Using balloons, have kids hit the balloon back and forth over a "net" which can be outlined using string, tape or objects i.e. chairs. For an extra challenge, add more balloons or restrict body parts from touching balloon i.e. Only use left hand.

Laundry Basketball

Take turns throwing rolled-up socks into a laundry basket. Move back further each time to make it more challenging!

Obstacle Course

Set up an obstacle course around the house. You could use chairs, pillows, plastic cups etc that kids need to manoeuvre around (side to side, under and over). To increase difficulty, have kids crab crawl or bear walk the course.

Indoor Bowling

Use plastic or paper cups as the pins and a lightweight ball or rolled pair of socks as the bowling ball. Set the cups up in a triangle format. Bowl the ball towards the cups to knock them down.

Gloucester High School

YEAR 6 TRANSITION EVENING

TUESDAY
10
SEPTEMBER
4 - 6PM

Year 6 Students and Parents are invited to attend our Information BBQ Evening at Gloucester High School.

- ✓ Meet key staff members
